

Bus Station San Fierro 1.5 RC + Bus Itapemirim

It reads me in version: English (En, Us)

Installation:

To place the bus-station in San Fierro, it enters in the folder **C:\Program Files\Rockstar Games\GTA San Andreas\data\maps**

E substitutes folder SF for this folder that you lowered of same name.

To find the bus-station in the game it goes in SF to the side of the Driving school, close to the academy.
